Activities Education Religion & Culture Gold Resources Calendar Blog I have been using Mrs Mactivity since the summer and always try here before other websites. The activities are always bright and eye catching and perfectly match the national curriculum. If you are looking to save some time and engage your children, I would definitely recommend Mrs Mactivity! Kate Turner Year 3 Teacher and Parent Your child will be scored against a national standard, and the main result will be whether or not they fall below, within or above this standard. In 2013, 2014, 2015, 2016, 2017, 2018 and 2019 the "pass threshold" was 32, which means children had to read at least 32 words out of 40 correctly. The threshold mark is communicated to schools at the end of June, after the test has been taken, so that teachers can mark the Check You will be told how your child did, but schools' results will not be published. If your child's score falls below the standard, they will be given extra phonics help and can re-take the Phonics Screening Check in Year 2.
